This institution is an equal opportunity provider and employer

The Atoka Municipal Authority provides water, sewer & garbage service within the city limits. Here are some guidelines to provide you with the best possible service:

- 1. There is a deposit required to turn on your water/sewer/garbage service. Deposits range from \$200.00 to \$500.00 depending on your circumstances. If you have an outstanding or delinquent bill, you must pay the amount of that bill in addition to your deposit before service can be turned on. We must have the deposit and paperwork completed before you can receive any services.**
- 2. Bills are due and payable by the tenth (10th) of every month without a penalty. If you do not receive a bill, please contact the Atoka City Hall and we can tell you how much you owe and make you a duplicate receipt for your records.**
- 3. If your bill is not paid by the tenth (10th) of the month, then on the eleventh (11th) of the month (even if the eleventh falls on a weekend or holiday), a penalty of 10% of the bill will be added to your total amount due. This is your final notice reminding you that your bill is past due and must be paid by the fifteenth (15th) of the month. We have a drop box on the West side of the Atoka City Hall if you cannot make it in to pay your bill during working hours.**
- 4. If this second bill is not paid in full on the fifteenth (15th) of the month, your account will be added to the cut off list and you will be charged a \$25.00 cut off fee. The water service will then be disconnected and a \$25.00 re-connect fee will have to be paid to reconnect your water service. If your water service is disconnected and the meter has been tampered with, then an additional tampering charge will be added to your account.**
- 5. If the bill and all additional charges are not paid in full by the twenty-fifth (25th) of the month, your account will be closed and your deposit will be forfeited to pay the outstanding balance.**
- 6. Your first monthly bill will be a \$15.00 connect fee.**
- 8. If you have charges at the Transfer Station for dumping or roll offs, this amount may be added to your water/sewer/garbage bill at our discretion.**

The Atoka Municipal Authority accepts no responsibility for lost or mis-directed mail. If your mailing address changes, please notify us.

Your garbage pick-up day will be _____.

If you have the blue poly-carts, please set your garbage out the night before in the area designated for pick-up. If you need additional poly-carts, they are available for a fee.

If you have a dumpster, please make sure the day of pick-up, that nothing is blocking your dumpster. If your dumpster is blocked, damaged or has unacceptable waste in it, it will not be emptied.

Do not put limbs, metal, wood, or construction debris in the poly-carts or dumpsters. The Municipal Authority has a Transfer Station North of the city on North Hills Drive. These items may be hauled to the Transfer Station for a fee.

The city of atoka is a pay agency for companies such as:
